

APPLICATION FOR CERTIFICATE TO CONSTRUCT AND OPERATE PORTABLE ROCK CRUSHING AND POWER SCREENING EQUIPMENT

Application must be prepared by a licensed Professional Engineer, Licensed and registered to practice in the State of New York.

A complete application must consist of:

1. A letter of Authorization bearing the original signature of the owner or owner's representative authorizing the Professional Engineer to file application(s).
2. Environmental Assessment Form
3. Provide calculation details for air emission from Power Generator and Rock Crushing/Power Screening Plant.
4. Proof of Workmen's Compensation and Disability Benefits Insurance (forms C-105-2 and Disability Benefits-120.1). If insurance is not required, then completed form C-105.21 must be submitted to the Workmen's Compensation Board for stamp/endorsement and a copy provided to this Department.
5. Application fees for each piece of equipment consist of a one-time processing fee of \$1000.00 and an operation permit fee of \$1000.00 per year. Operation permit fees are based on a three year cycle. Please contact the Department for the appropriate fee amount.
6. FORM –R completed in its entirety. A separate application is required for each type of equipment.
