

With 18,000 acres of open space, mile of trails, scenic views and a host of recreational opportunities, Westchester County Parks offer ideal settings for year-round camping adventures. There are accommodations and facilities to suit your camping needs -- from full-service cabins with all the amenities to tent camping and lean-tos to test your self-reliance. Recreational vehicle sites are available with full electric and water hookups, as well.

Campers will find a wide range of things to see and do and places to visit during their stay in Westchester's parks. Hike, bike, fish, study nature and the outdoors or discover our local history. There are six public golf courses where you can practice your putt, an early-1900s working farm, an arboretum, and the famous Playland Park, where you can thrill to exciting rides, entertainment and non-stop family fun.
