

# LINKS

Andrew J. Spano, Westchester County Executive

The Newsletter for Westchester County Golfers, Summer 2008

## A Message from the County Executive

We are off to a great season on our six county golf courses due to favorable conditions and good weather. Even if you don't have time for a full 18 holes, try practicing at one of our premier driving ranges.

Full-size driving ranges are located at Dunwoodie in Yonkers and Mohansic in Yorktown Heights.

Mohansic even has a new awning for weather protection, so you can practice your swing in any conditions. There is also a shorter distance driving range at Sprain Lake which uses Cayman balls.

Even if you are a beginner golfer or have not played on the links in a while, we have everything you need in our one-stop pro shops. Each shop stocks the newest in golf wear, from polo shirts to pants, and has a wide variety of golf equipment. Courses are staffed by PGA pros who offer lessons to set you on the right path to mastering the game.

This July, check out our reasonably priced two-for-one greens offer on select weekday afternoons. It may fit your schedule, and you can enjoy a round of golf as the day winds down.

We will continue to stay in touch with the fall edition of Links and with other offers and promotions through our Parks E-Club.

For more information, visit [www.westchestergov.com/golf](http://www.westchestergov.com/golf). As always, have a great game.

Andy Spano  
County Executive

## Golf Two-for-One Greens Offer

### Select Afternoons, July 7 through 31

Beginning July 7, golfers can take part in a special two-for-one greens fee offer from 1 p.m. to 3 p.m. at each of five county courses on specific weekdays (see below). Golf cart rental is required for this special. Offer ends July 31.

Park Pass holders pay \$25 for two players (instead of \$50) and \$34 for cart; non-park pass holders pay \$35 for two players (instead of \$70) and \$34 for cart; and Seniors (with County Senior Park Pass) and Juniors (with Park Pass) pay \$18 for two players (instead of \$36) and \$34 for cart. If there is a mix of the categories above, the higher of the greens fees will be charged.

This special offer applies only on the following days at the following courses: Mondays, Dunwoodie; Tuesdays, Sprain Lake and Maple Moor; Thursdays, Saxon Woods and Mohansic.

Reserve at the courses: Sprain Lake (914) 231-3481, Dunwoodie (914) 231-3490, Saxon Woods (914) 231-3461, Maple Moor (914) 995-9200 and Mohansic (914) 862-5283.

## MOHANSIC IMPROVEMENTS

Mohansic Golf Course has undergone extensive improvements both on the greens and the driving range to enhance your playing experience.

A new state-of-the-art, computer controlled irrigation system has been installed at the course. This new system includes double-row irrigation around the holes and approaches as

(Continued from pg. 1)

needed with approximately 100 additional heads as compared to the old system.

The system can be programmed by computer from the office as well as remotely over the Internet. The new heads along the fairways and double row around greens facilitate water conservation by pinpointing areas in need of irrigation while not wasting water with broadcast overspray. New pumps and a distribution station are also important parts of this needed upgrade. The prior system was more than 30 years old and past its useful life.

Mohansic's popular driving range has also undergone changes and improvements. A covering has been constructed over eight hitting stations so the facility can be used in all types of weather. A 100-yard marker has also been added to indicate driving distances.

## Played all of our Golf Courses?

Some golfers love to stay at one course and that is great, but we would like to remind you about all of our courses. They are all a short driving distance away and offer reasonable prices to Park Pass holders and non-residents as well.

Park Pass purchases and renewals can be made at all of the golf courses from 10 a.m. to 4 p.m.

### Golf courses and locations:

#### **Dunwoodie, 1 Wasylenko Lane**

Yonkers, (914) 231-3490

## Reserve Your Outing Today

It's not too late to book an outing at one of Westchester County's golf courses. In addition to offering challenging 18-hole golf courses with a variety of terrains, our six courses have some of the most magnificent settings in the county.

The courses have undergone major improvements over the past year including tees, greens, fairways, landscaping and all the amenities that golfers have come to expect in a first-class course.

A variety of foods and beverages is available, with menus that can be tailored to meet your needs.

Each course has a pro shop that stocks the latest in golf apparel and equipment and a PGA golf pro, who offers lessons and services.

Group outings can be reserved any time during weekdays. There is a discount for booking an outing after noon. A Westchester County Park Pass is needed to make a reservation but other group members do not require a pass.

Give Peter Jones, our golf sales manager, a call at (914) 864-7024 so he can show you the benefits of booking with Westchester Golf.

## Leave the Driving to Us

While some driving ranges in Westchester have closed, County Parks has invested in its three driving ranges to make them even better places to help you practice and improve your swing.

Dunwoodie Golf Course in Yonkers offers a newly renovated full-size range that is open daily from 7 a.m. to 9 p.m. A small bucket of balls is \$5 and a large bucket is \$10. For more information, call (914) 231-3490.

Mohansic Golf Course in Yorktown Heights also has a full-size driving range that can be used in all types of weather. The range is open daily from 7 a.m. to 8 p.m. A small bucket of balls is \$5 and a large bucket is \$10. For more information, call (914) 862-5283.

Sprain Lake Golf Course in Yonkers has three target greens. The range opened last season and, because of its smaller size, uses Cayman balls that travel shorter distances than regular golf balls. This range is open daily from 6 a.m. to 8 p.m. A small bucket of balls is \$5 and a large bucket is \$9. For more information, call (914) 779-9827.
