Dear Colleague:

The Westchester County Office for the Disabled is pleased to announce an exciting new initiative: a comprehensive disabilities resource website. This site will provide people with disabilities, their families and caregivers a convenient and accessible means of finding services throughout Westchester County.

We invite your active participation by providing us with the information that will help us publicize the wonderful services of your organization. Please take a moment to review and complete the attached form and return it to me no later than November 30, 2005. The more specific the information that you provide, the greater will be the benefit and utility of this website.

I would also like to thank the following individuals for their support and help in creating this wonderful opportunity: Mary Frie, Jordan Jankus, Liz Mark, Bob Cole, Anna Masopust and Ed Fata. Without their assistance this resource would not have been possible.

Please feel free to disseminate this information to other organizations that you think should be included in this on line directory. We expect this website to up and running by the end of this year.

Please return your completed form to my attention at the following address:

Evan Latainer, Director
Office for the Disabled
148 Martine Avenue, Room 102

Thank you for your support. If you have any questions please feel free to contact me at (914) 995-2958.

Sincerely,

Evan Latainer, Director
