Mohansic kids bask in Fitness Fun Day

Students in Yorktown School District's Mohansic Elementary School recently enjoyed Fitness Fun Day to celebrate special recognition from the office of County Executive Andrew Spano, represented by Carrie Aaron-Young, on behalf of Westchester County's Fit Kids Program. The students participated in activities during "No Junk Food Week" that encourage them to eat healthy foods, take care of their bodies, and exercise. They rode bicycles, took walks, and ate healthy foods. Fitness Fun Day was organized by physical education teacher Ernie DellaVechia with members of Mohansic's Wellness Committee.
