

THE EDWIN G. MICHAELIAN SCHOLARSHIP

A Program to Promote Excellence in Government

A WESTCHESTER COUNTY/PACE UNIVERSITY PARTNERSHIP

County and local municipal employees are invited to apply for Edwin G. Michaelian Scholarships. Scholarships are granted by Westchester County government to support the funding of graduate courses at Pace University leading to degrees in Public Administration, Nursing Administration, Computer Science and Business Administration.

Through the good offices of Pace University and at no cost to our taxpayers, Michaelian Scholarships fund 25% percent of tuition costs per semester. It is the responsibility of the Scholar to fund the remaining 75% percent at the time of school registration. This scholarship does not exclude the option of other sources to fund the balance (e.g., tuition reimbursement, educational loans).

ELIGIBILITY:

Applicants should meet the following guidelines:

- A valued employee of Westchester County or local municipality
- Bachelor's Degree
- At least 3 years employment in government
- Career goals consistent with the overall sponsoring government.

APPLICATION PROCEDURE:

All candidates must apply for an Edwin G. Michaelian Scholarship by submitting an application (Sections I and II).

Completed applications must be submitted by **June 23, 2006** to:
Susan Welling, Assistant Director of Recruitment & Selection
Westchester County Department of Human Resources
148 Martine Avenue, Suite 100
White Plains, New York 10601.

PACE UNIVERSITY SERVICES:

Pace University invites individuals considering graduate studies to contact their staff. Advisors are available to provide information about admissions and degree requirements. To arrange for an appointment, call these coordinators:

- Public Administration - Susan Daria at 422-4298
- Computer Science - Louise Kleinbaum at 422-4191
- Nursing – Dr. Karen Keith at 773-3550
- Business - Denise Lucena at 422-4188
- Admissions - Joanna Broda at 422-4283

Application for a scholarship is a separate process from applying for admission to Pace University. Pace applications must be submitted directly to Pace University Graduate Admissions Office. The Lubin School Of Business requires acceptance as a matriculated student prior to registration. All other programs will allow Michaelian Scholars to register as non-matriculated students before being accepted to the university.

SELECTION PROCESS:

A scholarship panel will recommend applicants to the County Executive for selection as Michaelian Scholars.

Each candidate will be evaluated on a variety of factors including job functions, career goals, recommendations from their organization, accomplishments and, as needed, interviewed.

Candidates approved for scholarships need not reapply each semester as long as they maintain a B+ G.P.A., and are still employed by the municipality that nominated them.

All decisions are expected to be made by August, and will be communicated to the candidates in order to register for Fall semester.

For further inquiries regarding this program, please e-mail Susan Welling at SLWI@westchestergov.com or call 995-2103. Academic inquiries should be made directly to Pace University.
