

George Latimer
County Executive

FIRST DEPUTY COMMISSIONER OF PUBLIC WORKS & TRANSPORTATION

Westchester County Government has an opening for a First Deputy Commissioner of Public Works and Transportation, to assist in directing, administering and planning all departmental operations to include engineering, all surface transportation operations, and facilities management for all County departments. Facilities include the County office building and other sites in White Plains, as well as the operations at the County's campus in Valhalla, a 500-acre site where responsibility for facility management includes the Westchester Medical Center, Maria Fareri Children's Hospital, the Westchester County Correctional facility, the Department of Labs and Research and the County's Heating Plant.

The selected candidate will also be substantively involved in developing the \$1.5 billion County's capital plan to include all projects for all County departments, and will be responsible for working with staff on the five-year capital plan for proposed projects as well as oversight for all work in progress to ensure contracted work is completed in accordance with specifications and time requirements.

The selected candidate will act for and on behalf of the Commissioner in his/her absence and must possess a Professional Engineer's license and ten years of professional experience.

Come join our leadership team!

About Westchester County...

Westchester County, located in the heart of the historic Hudson Valley, covers 500 square miles and has a population of just under a million. Originally home to Native Americans, who were members of the Lenape tribe, it is today a rich mix of many cultures and landscapes. The County is a blend of bustling cities, quaint villages and picturesque towns as well as open spaces and a network of beautiful parks. The County is also an intellectual capital, boasting a highly educated workforce, competitive colleges and universities, Fortune 500 companies, world changing non-profits, and cutting-edge research centers.
