

Mary Jennings Mahon
Commissioner
Department of Human Resources

George Latimer
County Executive

CHIEF OF ENVIRONMENTAL LABORATORY SERVICES
\$116,005 - \$149,240

The Westchester County Department of Laboratories and Research (L&R) located in Valhalla, NY, has an immediate opening for an experienced professional to oversee and direct the operation of the Environmental Laboratory, one division of this department. The incumbent in this position is directly responsible for maintaining New York State Department of Health Laboratory approval for those disciplines under his or her supervision and directs all aspects of the quality control program as it relates to ensuring compliance with federal, state and local standards, rules, regulations and policies. This position plans, directs, and evaluates the work of professional and technical personnel in the chemical, physical, and bacteriological analyses of air, water, wastewater, food, beverages, and other materials. The incumbent is responsible for the technical services, evaluation, and compliance of all analyses, as well as administrative activities such as planning, staff development, program and facility design and development, and budget preparation.

The successful candidate must possess a Bachelor's Degree in Chemistry or a biological science with at least 24 credits in Chemistry and at least six years of recent experience (acquired within the last 7 years) in an environmental laboratory, 4 years of which were at a supervisory or administrative level.
