

OSWEGO COUNTY DIRECTOR OF ENVIRONMENTAL HEALTH

This administrative position is located in the Oswego County Health Department and involves responsibility for planning, directing, and supervising the activities of the Environmental Health Services Division. The incumbent is responsible for furnishing advice and guidance to local officials and the general public regarding public and environmental health problems and implements measures necessary for improvement and compliance with legal requirements.

Qualifications: Bachelor's degree in sanitary, environmental, chemical, civil or public health engineering or a related engineering field; **OR** bachelor's with thirty (30) credit hours in the natural sciences, of which not more than twelve (12) credit hours may be in the applied sciences; **AND** Two (2) years of administrative and supervisory experience as a senior public health engineer or senior public health sanitarian; **OR** five (5) years of environmental health experience, including two (2) years of supervisory responsibility that demonstrates that the candidate has the technical and administrative skills necessary to manage programs that can anticipate, recognize and respond to environmental health challenges. **NOTE:** A master's degree in public or environmental health or a related field that demonstrates the five core competencies of a public health education (Biostatistics, Environmental Health Services, Epidemiology, Health Policy and Management and Social and Behavior Sciences) may be substituted for up to two (2) years of the required environmental health experience.

Permanent appointment to this position requires successful completion of a civil service examination.

Competitive salary and benefits provided commensurate with education and experience.

To Apply: Review of applications will begin immediately and continue until position is filled. Submit application, resume & letter of interest to:
