DIRECTOR OF OPERATIONS (SOLID WASTE)

Only 30 minutes north of New York City, Westchester County is New York's Intellectual Capital®, with abundant culture, award-winning parks, nationally recognized public schools as well as world-renowned colleges, universities and research centers. Westchester County government provides a wide array of services and events that are every bit as diverse as the resident population we serve.

The Westchester County Department of Environmental Facilities has an immediate opening for a Director of Solid Waste Operations. Reporting directly to the Deputy Commissioner of Solid Waste, an incumbent will organize, coordinate and plan for all activities associated with the transferring, hauling, processing and disposal of Solid Waste for the county; while ensuring all activities are in compliance with local, state and federal laws. Furthermore, an incumbent is responsible for overseeing the maintenance and operation of several county owned sites including: recovery facilities, transfer stations and landfills. In addition to operational oversight a candidate will have administrative responsibilities including: preparing an annual budget, miscellaneous and scheduled reports and supervision will be exercised over professional and maintenance staff.

Candidates must possess a Bachelor's degree and minimum of 8 years of experience where the primary function was in oversight of solid waste management projects that included collecting, disposal and transfer; 3 years of which must also have included supervisory experience of an over-the-road truck fleet operation. A Bachelor's degree in Engineering, Public or Business Administration, or closely related field may be substituted for one year of the general experience.

Come join our leadership team!

Besides a competitive salary, our compensation package includes comprehensive benefits, including medical, dental, vision, deferred compensation, paid leave and retirement plan.
