

George Latimer
County Executive

Department of Human Resources
Mary Jennings Mahon
Commissioner

Department of Environmental
Facilities
Vincent Kopicki
Commissioner

DIRECTOR OF OPERATIONS (SOLID WASTE)
Salary Range: \$106,295 - \$136,775

The Westchester County Department of Environmental Facilities has an immediate opening for a Director of Solid Waste Operations. Reporting directly to the Deputy Commissioner of Solid Waste. The incumbent will organize, coordinate and plan for all activities associated with the transferring, hauling, processing and disposal of Solid Waste for the county; while ensuring all activities are in compliance with local, state and federal laws. Furthermore, an incumbent is responsible for overseeing the maintenance and operation of several county owned sites including: recovery facilities, transfer stations and landfills. In addition to operational oversight a candidate will have administrative responsibilities including: preparing an annual budget, miscellaneous and scheduled reports and supervision over professional and maintenance staff.

Candidates must possess a Bachelor's degree and minimum of 8 years of experience where the primary function was oversight of solid waste management projects that included collection, disposal and transfer; 3 years of which must also have included supervisory experience of an over-the-road truck fleet operation. A Bachelor's degree in Engineering, Public or Business Administration, or closely related field may be substituted for one year of the general experience.

Come join our leadership team!

Besides a competitive salary, our compensation package includes comprehensive benefits, including medical, dental, vision, deferred compensation, paid leave and retirement plan.

Submit your letter of interest and resume to DEF-HR@westchestergov.com

Important: Please indicate **Director of Operations (Solid Waste)** in the subject line of your e-mail.

Westchester County is an equal opportunity employer

About Westchester County...

Westchester County, located in the heart of the historic Hudson Valley, covers 500 square miles and has a population of just under a million. Originally home to Native Americans, who were members of the Lenape tribe, it is today a rich mix of many cultures and landscapes. The County is a blend of bustling cities, quaint villages and picturesque towns as well as open spaces and a network of beautiful parks. The County is also an intellectual capital, boasting a highly educated workforce, competitive colleges and universities, Fortune 500 companies, world changing non-profits, and cutting-edge research centers.
