MANAGER - TRANSFER STATIONS

Salary Range: \$77,445 - \$103,235

The Westchester County Department of Environmental Facilities has an immediate opening for a Manager – Transfer Stations. Under general supervision of the Solid Waste Division Directors, the incumbent is responsible for the management and operation of the four County Transfer Stations and the Material Recovery Facility (MRF). Responsibility involves oversight of the collection, weighing, disposal and billing for all municipal waste as well as all contracted service. The Manager is also responsible for the maintenance and repair of vehicles and equipment used in Solid Waste facilities. Supervision is exercised over operations and maintenance personnel.

Candidates must possess a high school diploma and seven years of experience working in or for a public solid waste agency where a primary function of the position was in the operational management of the collection, disposal or transfer of solid waste and/or recyclables process, which included two years of contract management.

Come join our team!

Besides a competitive salary, our compensation package includes comprehensive benefits, including medical, dental, vision, deferred compensation, paid leave and retirement plan.

Submit your letter of interest and resume to DEF-HR@westchestergov.com

Important: Please indicate **Manager – Transfer Stations** in the subject line of your e-mail.

Westchester County is an equal opportunity employer

About Westchester County...

Westchester County, located in the heart of the historic Hudson Valley, covers 500 square miles and has a population of just under a million. Originally home to Native Americans, who were members of the Lenape tribe, it is today a rich mix of many cultures and landscapes. The County is a blend of bustling cities, quaint villages and picturesque towns as well as open spaces and a network of beautiful parks. The County is also an intellectual capital, boasting a highly educated workforce, competitive colleges and universities, Fortune 500 companies, world changing non-profits, and cutting-edge research centers.
