NETWORK ENGINEER I

The Westchester County Department of Information Technology has an immediate opening for a **Network Engineer I**.

EXAMPLES OF WORK:

- Installs, maintains and relocates network hardware and software, including assembly, configuration, patch or update installation, and transport, in accordance with established procedures and instructions;
- Lifts network equipment that may weigh as much as 50 lbs. to place in, arrange around, or remove from the workplace for set-up, installation, repair, de-installation, or maintenance;
- Responds to maintenance service requests related to network equipment;
- May receive user calls regarding network-related problems and performs the appropriate action to resolve the problem;
- Performs diagnoses of failures to determine whether they are induced by network software or hardware;
- Works with contract and vendor supplied personnel engaged in the installation, maintenance and repair of network hardware and software;
- Manages inventory of network and associated equipment.

REQUIRED QUALIFICATIONS: A high school or equivalency diploma and either (a) a Bachelor's degree* in Information Technology or a closely related field and one (1) year of experience where a primary function of the position was the installation, operation, maintenance and problem diagnosis of network equipment including routers and switches; or (b) current CCNP (Cisco Certified Network Professional) certification and two years of experience as described in (a); or (c) six (6) years of experience as described in (a).

SUBSTITUTIONS: Satisfactory completion of 30 credits* may be substituted on a year for year basis for up to four years of the required experience. A Master's Degree* in Information Technology or a closely related field may also be substituted for one additional year of experience.

SPECIAL REQUIREMENTS: Possession of a valid license to operate a motor vehicle in the State of New York at time of appointment and maintain same while in the title.

NOTES:

1. *Education beyond the secondary level must be from an institution recognized or accredited by the Board of Regents of the New York State Department of Education as a post-secondary, degree-granting institution.
2. Experience on a home personal computer may not be used as a substitute for the aforementioned experience.

Come join our team!

Salary Range: \$62,525 - \$77,765 (CSEA)

Besides a competitive salary, our compensation package includes comprehensive benefits, including medical, dental, vision, deferred compensation, paid leave and retirement plan.

Please submit a cover letter and resume to jobs@westchestergov.com.

Important: Please indicate **Network Engineer I** in the subject line of your e-mail.

Westchester County is an equal opportunity employer

About Westchester County...

Westchester County, located in the heart of the historic Hudson Valley, covers 500 square miles and has a population of just under a million. Originally home to Native Americans, who were members of the Lenape tribe, it is today a rich mix of many cultures and landscapes. The County is a blend of bustling cities, quaint villages and picturesque towns as well as open spaces and a network of beautiful parks. The County is also an intellectual capital, boasting a highly educated workforce, competitive colleges and universities, Fortune 500 companies, world changing non-profits, and cutting-edge research centers.
