

RIDE MANAGER II

DISTINGUISHING FEATURES OF THE CLASS: Under supervision of the Operations Superintendent or Games Manager, this class supervises the operation of a large, complex amusement ride such as the Dragon Coaster or group of rides or other attractions during the summer operating season at Playland Amusement Park. Incumbents perform various supervisory duties in relation to the safe operation of a large, complex, high ridership amusement ride or attraction. This position differs from the Ride Manager I in that the Ride Manager II would be assigned to the large, complex rides and occasionally to a group of the less complex rides, while the Ride Manager I would be assigned only to the less complex attractions. The positions are seasonal in nature and exist only during the summer operating season at Playland Amusement Park. Supervision over a number of ride operators is a regular responsibility of this position. Does related work as needed.
