\*Campaign Material (or a disclaimer stating that no campaign materials have been produced) must be submitted with Post-Election reports. Electronic filers must send this campaign material or disclaimer, by mail.

\*\*During this time period, any contribution or loan which exceeds \$1,000 must be reported with 24 hours of receipt. This same contribution or loan must be reported in the Post Election report. These may be faxed or filed with the Board of Elections.

Notes for Filers with Local and the State Board of Elections:

- 1) If the filing Date falls on a Saturday, Sunday or a Legal Holiday, the report is due the next business day.
- 2) Periodic Reports are required to be filed until the Candidate or Committee requests Termination (which must be approved by the Board). The criteria for Termination are: a) an ending cash balance of zero; b) all loans and liabilities (subject to applicable contribution limits) are repaid or forgiven; and for State Board electronic filers only: c) a complete CF-18 is mailed to the State Board.

Notes for Filers with the State Board of Elections:

- 3) After submitting electronic reports, please visit the Board's website to confirm receipt and accuracy of content.
- 4) For electronic filers: "Filing Year" is the year the report is due to be filed.
- 5) Primary and General Election Reports are required from all filers UNLESS a Notice of Inactive Status (CF-20) is filed. The CF-20 may be submitted at the Board's website (click Campaign Finance: Filing Options; Notice of Inactive Status). Please note that Periodic Reports are still required from Committees that file a Notice of Inactive Status. However, Candidates who are on the ballot in the current election year (and their related Committees, or any other Committees supporting or opposing those Candidates) are NOT qualified to file a Notice of Inactive Status in substitution for the required Election Reports.
