

**Westchester County
Department of Environmental Facilities
Annual Private Hauler Report Form
Class A, B & C**

GENERAL INFORMATION

1. Company Name _____
2. Name & Title of person completing form _____
3. Telephone Number: _____ Fax Number: _____
E-Mail address _____
4. If there was No Activity in 2008 please enter N.A. _____ and submit report form with General Information section complete.

HOW TO COMPLETE YOUR 2008 HAULER REPORT FORM

1. Complete GENERAL INFORMATION section above. If your company had no activity during calendar year 2008, you are still required to submit this report after placing the letters N.A. (*no activity*) on line 4 in the GENERAL INFORMATION section.

2. Please report material in **TONS OR CUBIC YARDS**. If both units of measure are used for the same recovered material, please indicate by placing a circle around the plus sign (*i. e.* (+)) between TONS and CUBIC YARDS on page 2. **DO NOT CONVERT CUBIC YARDS TO TONS.**

3. **Class A, B, & C Haulers:** When reporting material recovered for recycling on pages 3 and 4, be sure to use the correct column for the material class (*i.e. Class A Hauler reporting recyclables recovered from Construction and Demolition Debris would use column C* (*i.e. Class C Hauler reporting Yard Waste would report material recovered in column D*).

4. When indicating material recovered on pages 3 and 4, enter **TONS** and or **CUBIC YARDS** in the designated column for each class of material recovered.

5. **Class A Haulers:** Please answer questions 1-7. If your company does not collect other classes of material as allowed by your license, please indicate by placing N. A. (*no activity*) where applicable on page 2.

6. **Class B Haulers:** Please answer questions 3-7. If your company does not collect other classes of material as allowed by your license, please indicate by placing N. A. (*no activity*) where applicable on page 2.

7. **Class C Haulers:** Please answer questions 4-7. If your company does not collect other classes of material as allowed by your license, please indicate by placing N. A. (*no activity*) where applicable on page 2.

For assistance or comments, contact John Mazzucco at (914) 813-5404.

**Report form must be completed and returned in the enclosed
envelope by February 27, 2009**

**Class A Hauler
Solid Waste Collected / Recycled**

1. Please indicate the amount of residential, commercial, and institutional solid waste that was **collected** by your firm in Westchester County during 2008. Please note, contracted municipal solid waste (MSW) and Construction and Demolition Debris (C & D) are not to be included in your solid waste total. **Reminder:** If both TONS and CUBIC YARDS are used in establishing your solid waste total, please circle the plus sign below.

| | | |
|----------------|---|-----------------------|
| TONS COLLECTED | + | CUBIC YARDS COLLECTED |
|----------------|---|-----------------------|

2. Please indicate the amount of **recyclable material recovered from the solid waste** reported above. Include co-collected bagged recyclables and corrugated cardboard mixed with the solid waste. Do not include recyclables recovered from contracted MSW and C & D. Report recycled material recovered from solid waste in **Column A** on pages 3 and 4.

| | | |
|---------------|---|----------------------|
| TONS RECYCLED | + | CUBIC YARDS RECYCLED |
|---------------|---|----------------------|

**Class A & B Haulers
Source Separated Recyclables Collected**

3. Please indicate the amount of **source separated recyclables** (*recyclables collected separately from solid waste*) **collected** in Westchester County by your firm during 2008. Report **source separated recyclables** collected in **Column B** on pages 3 and 4. **Reminder:** If both TONS and CUBIC YARDS are used in establishing your source separated recyclables total, please circle the plus sign below.

| | | |
|----------------|---|-----------------------|
| TONS COLLECTED | + | CUBIC YARDS COLLECTED |
|----------------|---|-----------------------|

**Class A, B & C Haulers
Construction and Demolition Debris
Collected / Recycled**

4. Please indicate the amount of Construction and Demolition Debris **collected** by your firm that was generated in Westchester County in 2008. **Reminder:** If both TONS and CUBIC YARDS are used in establishing your Construction and Demolition total, please circle the plus sign below.

| | | |
|----------------|---|-----------------------|
| TONS COLLECTED | + | CUBIC YARDS COLLECTED |
|----------------|---|-----------------------|

5. Please indicate the amount of material **recycled** from Construction and Demolition Debris reported above. Report material recycled from C & D in **Column C** on pages 3 and 4.

| | | |
|---------------|---|----------------------|
| TONS RECYCLED | + | CUBIC YARDS RECYCLED |
|---------------|---|----------------------|

**Class A, B & C Haulers
Yard Waste & Other Organic Waste
Collected / Recycled**

6. Please indicate the amount of Yard Waste and / or Other Organic Waste **collected** in Westchester County during 2008. **Reminder:** If both TONS and CUBIC YARDS are used in establishing your Yard Waste and / or Other Organic Waste total, please circle the plus sign below.

| | | |
|----------------|---|-----------------------|
| TONS COLLECTED | + | CUBIC YARDS COLLECTED |
|----------------|---|-----------------------|

7. Please indicate the amount of material **recycled** from Yard Waste and / or Organic Waste reported above. Report Yard Waste and / or Other Organic Waste recycled in **Column D** on pages 3 and 4.

| | | |
|---------------|---|----------------------|
| TONS RECYCLED | + | CUBIC YARDS RECYCLED |
|---------------|---|----------------------|

MATERIAL RECOVERED FOR RECYCLING

IMPORTANT PLEASE READ BEFORE CONTINUING ALL A ,B, & C HAULERS

1. When reporting recycled material recovered on this page, be sure to use the correct column for the material class (i.e. Class A Hauler reporting recyclables recovered from C & D would use column C.) (i.e. Class C Hauler reporting Yard Waste would report material recovered in column D).
2. When indicating material recovered, enter **TONS** and / or **CUBIC YARDS** in the designated column below for each class of material recovered.

| Material Categories | Material | Solid Waste COLUMN A | | Source Separated Recyclables COLUMN B | | Construction & Demolition Debris COLUMN C | | Garden & Yard Waste Organic Waste COLUMN D | |
|---------------------------------|--|----------------------------|----------------|--|----------------|--|----------------|---|----------------|
| | | Tons | Cubic Yards | Tons | Cubic Yards | Tons | Cubic Yards | Tons | Cubic Yards |
| Paper | Newspaper | | | | | | | | |
| | # 6 Mix | | | | | | | | |
| | # 8 Mix | | | | | | | | |
