

Stormwater Funding Resources:

1) **Westchester County Flood Action Task Force** *Matching grants for qualifying municipalities.* http://www.westchestergov.com/environment_floodactionplan.htm

2) **NYS Dept. of State - Shared Services Program**, includes resources and information on past grant awards. <http://www.dos.state.ny.us/lgss/smsi/>

3) **NYS Dept. of State Local Waterfront Revitalization Program:** This opportunity includes "Preparing a local or regional watershed plan," which can include stormwater management. 2009-2010 RFP has not been announced. http://www.nyswaterfronts.com/grantopps_EPF.asp

4) **NYS Dept. of State, Smart Growth Cabinet announces smart growth opportunities for Lower Hudson Valley.** <http://www.dos.state.ny.us/pres/pr2009/4109sg.html>

5) **Green Innovation Grants** - <http://www.nysefc.org/home>
Although the deadline has passed for this, personnel in the NYSEFC say it is worth checking back in Jan.-Mar. 2010. (Additional funds may come in from distribution of stimulus funds rejected by some states.)

6) **New York State Department of Environmental Protection –**

New York City Watershed Protection:

<http://www.dec.ny.gov/pubs/4774.html>

---for municipalities and organizations in the Croton Watershed

Hudson River Estuary Grants: <http://www.dec.ny.gov/lands/5091.html>

Several municipalities and organizations in the Lower Hudson Valley have received HRE grants in the past few years.

7) **U.S. Department of Environmental Protection Resource Guide:**
<http://www.epa.gov/owow/funding/governments.html>

8) **Hudson River Watershed Alliance -**

<http://hudsonwatershed.org/resources.html>
