

# What makes a Walkable Hamlet?

Sidewalk network

Mix of residential and commercial uses

Low scale buildings fronting on street

Street furniture

Street trees

Living over the store

Pedestrian scale signage

On-street parking

Parking behind stores

# Tools to protect, enhance and encourage a Walkable Hamlet:

## Zoning:

Encourage appropriate scale of residential and commercial uses

Orient store entrances on street

Provide a mix of on and off-street parking

Pedestrian connections between streets and parking

Special districts

Crosswalks and bollards

Traffic calming devices

Façade/design guidelines

Signage and tree ordinances
