

July MetroCard Van Schedule in Westchester

The full-service MetroCard van will be visiting various Westchester locations for those interested in buying MetroCards.

Staffed by MTA New York City Transit Authority and Westchester County Department of Transportation employees, the van is a 'one-stop shop' and is equipped to assist bus riders with all their MetroCard business. Riders will be able to buy a regular MetroCard, apply for a Reduced-Fare MetroCard if they are 65 and older or have qualifying disabilities and refill their existing MetroCards.

MetroCard is the automated regional fare collection system managed by the Metropolitan Transportation Authority.
