DEPUTY COMMISSIONER – HOUSING AND COMMUNITY DEVELOPMENT
\$124,285 to \$163,100

Westchester County Government has an immediate opening for a *Deputy Commissioner of Planning for Housing and Community Development* to oversee all planning programs and activities as they relate to housing and community development for Westchester County. This position will be directly involved in development of policies and planning for the overall development of open space utilization, flood control, and water/sewer facilities as they relate to neighborhood preservation and housing activities. The selected candidate will have extensive contacts with key elected and policy making officials of Federal, State, County and local governments as well as consultants and financial institution representatives.

Candidates must possess a Bachelor's Degree and seven years of experience in managing housing assistance or housing and community development programs. Advanced degrees in Urban or Regional Planning, Urban Design or related fields preferred.

Housing Assistance is experience directly assisting a family or household with the placement of housing or housing subsidies.

Housing and Community Development is the investment in and/or feasibility, underwriting, or financial structuring associated with the production, development and/or rehabilitation of housing or other community facilities.

This position is an executive level appointed position with a competitive salary, comprehensive benefits, including medical, dental, vision, deferred compensation, paid leave and NYS retirement plan.

About Westchester County

Westchester County, located in the heart of the historic Hudson Valley, covers 500 square miles and has a population of just under a million. Originally home to Native Americans, who were members of the Lenape tribe, it is today a rich mix of many cultures and landscapes. The County is a blend of bustling cities, quaint villages and picturesque towns as well as open spaces and a network of beautiful parks. The County is also an intellectual capital, boasting a highly educated workforce, competitive colleges and universities, Fortune 500 companies, world changing non-profits, and cutting-edge research centers.
