*About Westchester County*

*Westchester County, located in the heart of the historic Hudson Valley, covers 500 square miles and has a population of just under a million. Originally home to Native Americans, who were members of the Lenape tribe, it is today a rich mix of many cultures and landscapes. The County is a blend of bustling cities, quaint villages and picturesque towns as well as open spaces and a network of beautiful parks. The County is also an intellectual capital, boasting a highly educated workforce, competitive colleges and universities, Fortune 500 companies, world changing non-profits, and cutting-edge research centers.*
