

**Mary Jennings Mahon**  
Commissioner  
Department of Human Resources

**George Latimer**  
County Executive

**DIRECTOR OF FORENSIC SCIENCES**  
**\$116,005 - \$149,240**

The Westchester County Department of Laboratories and Research located in Valhalla, NY, has an immediate opening for a dynamic, experienced leader to direct the overall operations of the Forensic Science Services Division within the department. The Director maintains total administrative responsibility for directing the overall operations, plans for future services and anticipates future needs and goals. The Director is also responsible for ensuring that analytical, photographic and related interpretive services are provided to regional medical, law enforcement and medicolegal agencies in a timely, accurate and meaningful fashion and in accordance with sound laboratory practices, accepted clinical and forensic procedures and established County policies. The incumbent in this position oversees staff development, budget preparation and crime scene processing, directs research and development projects, and testifies in court regarding laboratory analysis and the significance of results. The successful candidate must possess a Bachelor's Degree in Forensic Science, Chemistry, Biology, Biochemistry or Medical Technology which must have included at least 20 credits in chemistry, and six years of recent experience (acquired in the last 7 years) in a Forensic Science Laboratory, which must have included at least three years of supervisory or administrative experience.
